

2018 VICTORIAN MOTORCYCLE WRECKERS INTERCLUB ROAD RACE SERIES

ROUND 1 – BROADFORD – TIMING BULLETIN

Timing transponder collection and deposits

Transponders will be available for collection from the control tower (middle floor) from Sunday morning at 7:15am. As usual, a \$50 refundable security deposit is required, which **MUST BE LEFT IN CASH**. Some competitors have already prepaid their transponders security deposit with their entry.

Timing transponder mounting and second bikes

It is the competitor's responsibility to ensure that timing transponders are properly mounted for all sessions (including practices and warm-ups). Competitors found not to have transponders properly mounted, may be black-flagged from the session or have times excluded after the end of the session. Computime's back-up procedures ensure that accurate times are recorded if any competitor is found to have a faulty timing transponder.

Transponder mounting brackets

Mounting brackets WILL NOT be provided for rental with transponders. Competitors who do not have their own already can buy them when collecting transponders for **\$10 each** (GST incl). They can then retain the bracket on their bike for future events.

Internet based timing

You can use your internet enabled laptop, tablet, or smartphone to view live timing and results. Follow the links from www.computime.com.au.

Services unavailable

This venue does not have a hard wired or TV transmitter distribution system. Live timing information available from Computime's website only.

NO intermediate sector timing will be available this weekend. Full lap timing only.

Computime's local wireless network enabling live timing to be accessed from laptop computers WITHOUT internet connections, WILL NOT be set-up this weekend. If you have an internet connection, refer "LIVE Internet based timing" above.
